Conditions to put products on the market:

- a) The "Transaction Document of organic products" (DTPB), which declares the conformity with the reference standard and ensures regular information towards Bioagricert, should always accompany the transactions between controlled operators. If the DTPB is issued after the transaction, the declaration of conformity shall be reported on the sales documents.
- b) Prepacked products can be put on the market only after Bioagricert approves the label and after they are identified with a control code.
